

First Piper 6XT delivered

Piper 6XT VH-BXT, the first of the model in Australia, was recently delivered to the Bible Society in Australia (SA) and ferried from Moorabbin to its Darwin base by Phil Zamagias and Steve McDonald. The 6XT is essentially a fixed-gear Turbo Saratoga and has a model number PA-32-301XTC. It is a 2004 build, equipped with Avidyne Entegra 'glass' cockpit. Photos at Parafield by Steve.
